Dear Gottlieb:

I am depending on you to send me one umpire for Sunday. I let Frank have one of my local men for New York.

I am sure The Polo Grounds is our best bet for the 30th. Our railroad fares for this trip south was \$264.00 not counting taxis to and from stations, and going to Newport News. The weather has been bad to.

Things look very good for Sunday. I am sure the exhibition with The Grays did not hurt us.

Very Truly Yours
